ABOUT ME

Motivated and detail-oriented Computer Science student eager to contribute to a dynamic team environment, apply academic knowledge to real-world challenges, and continuously grow through collaboration and innovation.

WORK EXPERIENCE

Edunet Foundation (IBM)

(Dec 2025 to Jan 2026)

AI & ML Intern

- Designed and developed an AI-powered StudyBuddy application in Python.
- Performed Exploratory Data Analysis (EDA) and applied model optimization techniques to improve learning assistance accuracy and performance.
- Implemented the solution based on a real-world problem statement provided by Edunet Foundation (IBM).

UpTo Skills

(Dec 2025 to Jan 2026)

UI UX INTERN

Spearheaded UI/UX design for Flowbit, an all-in-one enterprise solution, incorporating design thinking, wireframing, and user-centric design to streamline workflows and improve usability.

PROJECTS

Fake URL Detector

Developed a web-based URL security analysis tool that allows users to check whether a link is phishing or unsafe, helping improve online safety and awareness.

StudyBuddy

Designed and implemented an AI StudyBuddy platform using Python and Streamlit with multiple learning modes—including Explainer, Summarizer, and Quizzer—allowing students to interactively learn from documents and improve knowledge retention.

EDUCATION

MARGREGORIOS MATRIC HSS

(2021 -2023)

SCHOOLING

84.33%

RMK COLLEGE OF ENGINEERING AND TECHNOLOGY

(2023 -2027)

Bachelor of ENGINEERING

8.44 CGPA

SKILLS

- HTML
- CSS
- JavaScript
- Python
- Figma

ACHIEVEMENTS

SCHOOLING (2021 - 2023)

- School People Leader, demonstrating strong leadership and organizational skills.
- Secured 9th place in 12th-grade examinations, showcasing academic excellence.

COLLEGE (2024 to Present)

- Organized the TechDays technical event at college level.
- Scored 86% in NPTEL examination.
- Shortlisted for internal Smart India Hackathon selection.
- Completed EC-Council Ethical Hacking Essentials (EHE) certification.

STRENGTH

- Active Listening
- Creative Problem-Solving
- Critical Thinking
